- Technical failure or duplicate processing initiated by MAIV LTD,
- System error caused by MAIV LTD's platform, provided the issue is reported within 7 calendar days.

- If the client is under AML/CFT investigation or has breached MAIV LTD's compliance policies;
- If a deposit was made using a third-party payment method not registered to the client;
- If the refund request is inconsistent with Seychelles AML regulations or international financial sanctions.

4. Refund Processing Procedure

- All refund requests must be submitted via email or secure client portal with full identification.
- Valid requests will be reviewed within 2 business days and processed within 5 business days, subject to PSP timelines.
- Refunds will only be made to the original funding source.
- MAIV LTD reserves the right to charge administrative or processing fees where applicable.

5. Chargeback and Dispute Handling

- Clients agree not to initiate chargebacks without attempting resolution with MAIV LTD first.
- Any unauthorized or abusive chargebacks may lead to:
 - Account suspension or closure;
 - Reversal of profits obtained from disputed funds;
 - Recovery of costs and chargeback-related penalties.
 - MAIV LTD will submit all transaction, login, and usage data to dispute unjustified chargebacks through the payment processor or card scheme.

All transactions are monitored, and suspicious activities will be reported to the Seychelles Financial Intelligence Unit (FIU).
